- Why do I have to "Register" my CodeBox?

Registering your Codebox allows CodeBox, Inc. to tie the serial number on the box to the "registered owner", whether that be an individual agent, office or MLS Association. Registering the Codebox, represents the "purchaser" as the "owner" of the box.

[TERMS OF USE](#)[WARRANTY](#)[PRIVACY POLICY](#)

CODEBOX TERMS OF USE

Limited Warranty. Your purchase of a CodeBox includes a limited 12 month warranty covering all parts and mechanics of the CodeBox. You may purchase an extended warranty at the time you purchase your CodeBox. If your CodeBox is not functioning properly and is under warranty, we will try to repair it. If we cannot repair it, then we will replace. No lockbox is impenetrable. Any warranty will be voided if the CodeBox is resold on a secondary market. CBI's warranty does not cover vandalism to the CodeBox.

You understand that your CodeBox has a limited useful life and will function for 15 years. After the expiration of 15 years, your CodeBox will no longer function. You will have the opportunity to purchase an upgraded CodeBox with a longer useful life. The specifics of such upgraded CodeBox will be described in the product specifications of CBI's website.
